Commissioner for Patents

This is in response to the ORDER RETURNING UNDOCKETED APPEAL TO EXAMINER ("the ORDER") dated May 5, 2009.

As set forth in the ORDER, to clarify the grounds of rejection on Appeal.

The grounds of rejection on Appeal are correct as "Claims 1-20 are rejection under 35 U.S.C. 102(e) as being anticipated by Anand et al. (U.S. Patent No. 6,370,599 B1), hereinafter referred to as Anand." It appears that Appellants separately address independent claims 1, 12, and 13 on page 3 and page 6 of the Appeal Brief from dependent claims 2-11, 14-20 on page 8 of the Appeal Brief. Therefore, it is correct for the grounds of rejection for claims 1-20 are rejection under 35 U.S.C. 102(e) as being anticipated by Anand et al. (U.S. Patent No. 6,370,599 B1), hereinafter referred to as Anand.
